

Miss Weston
Boston

Perth. 26th Nov. 1850

Madam,

I take the liberty of
acquainting you, as requested
by the Committee of the Ladies
Anti Slavery Society here, that
a Box of articles was sent
from this to Liverpool, to be
shipped on board the
"Europa" Captain Latt
which was to sail on the
15th Inst for Boston, addressed
to you, for the benefit of
the Anti Slavery Society, which
I

I hope will reach you in
safety.

In the Box you will
find three Habermans presented
by Mrs Borwick, Dundee,
one of which is intended
as a present for Mr F —

Douglas, — also a number of
fancy articles kindly contri-
buted by a Ladies School
at Peterhead, and as usual
the annual Donations from
our friends at Comrie & Crieff.

May I request the
favour of your acknowled-
ging receipt of the above

So

so soon after the sale
as convenient, which we
fondly hope will be a suc-
cessful one, and at same
time you will please insert
in the Gazette the parties
who, have favoured us with
Donations, as it communic-
ates a pleasing feeling and
acts as a stimulus to
future exertion, especially
upon the young when they
see their labours thus
acknowledged in connection
with so benevolent an object.

I regret to say
that

that a report is in circula-
 -ation here, which has caused
 so little annoyance to the
 Society, and has this year
 paralyzed its efforts to a
 considerable extent, and
 caused divisions amongst
[^] For. That certain Members
 its Members. - (Lecturers) in
 America, are persons of
 unsound religious views.
 how far individuals may be
 justified on these grounds
 in withholding their support
 is a question, on which I
 do not enter, but it must
 be a matter of deep regret
 to

to every lover of humanity
 that the Society should suffer
 in consequence, and the
 cause of freedom be there-
 by affected. — we would fondly
 hope however, that the present
 effort feeble tho it be, will
 have its weight, accompanied
 by our prayers, in hastening
 that longed for period, when
 Slavery shall cease, and
 the oppressed go free.

I am,
 Madam,
 Yours faithfully.

C. Norton.

addup

Mr David Morton

Perth.
